DUAL CABLE LOCKS

Thank you for your purchase and welcome to Condition 1<sup>®</sup>!

The Condition 1<sup>®</sup> family includes a fast growing user base of hard case (and lock!) owners that trust our products to protect their hand guns, rifles, camera equipment, scientific instruments, knives, glassware and many other types of products. We have an active following on Facebook and Instagram and we'd like to invite you to join us online.

We appreciate you putting your trust in Condition 1<sup>®</sup> and we look forward to hearing from you and reading your reviews of our products online.

Thanks again from the Condition 1<sup>®</sup> team!

Create your own combination.

The default combination is 0-0-0.

1. Hold the lock with the white arrows facing you with the dials set to the current combination.
2. Open the lock.
3. Using a pointed object, press and hold the pin at the bottom of the lock between the dials.
4. While keeping the pin depressed, set the dials to your new combination.
5. Release the pin to use the lock with your new combination.

Keep your combination safe.
